## INTRODUCTION

Grandfather John J. Miller was the oldest son of Jacob P. and Magdalena (Beachy) Miller. He had one sister, Elizabeth, m. to Joseph Bailey, and two brothers, Samuel, m. to Catherine Yoder, and Joel, m. to Barbara Yoder, who were sisters. Two brothers died in childhood.

Grandmother Magdalena Miller was the daughter of Benedict & Catherine (Eash) (Keim) Miller. She had one sister, Lydia, m. to Simeon Miller. She had seven Keim half brothers and twelve Miller half brothers and sisters. Our Great-Grandmother Catherine Eash was first married to Nicolas Keim as his third wife. He was the father of 24 children when he died. She then married Benedict Miller who was the father of 14 children when he died. She married the third time to Peter Livingood who was the father of 14 children. So our grandmother had one sister, 19 half brothers and sisters, 31 step brothers and sisters, and was the mother of 19 children.

John J. & Magdalena (Miller) Miller were married in Pennsylvania in 1855, and moved to Johnson County, Iowa, in 1864. In this book, printed a little over 100 years after their marriage, there are 960 direct descendants, of whom 862 are still living. There are 19 children of whom none are living, 86 grandchildren of whom 58 are living, 369 great-grandchildren of whom 338 are living, 525 great-great-grandchildren of whom 507 are living. There are 22 ordained men in this family. Four Bishops performed 20 or more marriages.

There were 16 pairs of twins born, of whom 10 are living. Accidental deaths claimed 16 lives. They are: Joe J. Miller, who fell from a scaffold; Henry C. Miller, caught in a sawmill; Monroe G. Miller & Edwin Hershberger were kicked by horses; Elsie C. Miller was hit by a blasted stump; Hazel (Miller) McAvoy in a car accident, and Duane Bontrager was hit by a car; Monroe Lee Miller & Simon D. Miller by drowning; Emma (Miller) Miller & Elva Knepp by burns; Ellis Dale Shetler by scalding; Jerrold Lee Yoder by smothering; Simon Seth Knepp was run over by a wagon; Peter J. Miller died of lock jaw as the result of stepping on a nail; and John S. Yoder fell from a wagon which resulted in his death.

There are 250 families in this book. There are 41 different family names. Miller leads with 100, Yoder has 31, four have more than 10, and 20 have just one. There are 243 different boys names and 226 different girls names. Those that have 15 or more are: John 42, Ray 27, David 24, Glen 23, Eugene 22, Joseph 20, Dale 18, Henry 18, Paul 17, James 17, Dean 15, Lee 15. Ninety-three have just one. Girls names: Anna, Anne or Ann 50, Mary 45, May 34, Magdalena 29, Marie 24, Barbara 23, Ferne 20, Ellen 19, Elizabeth or Lizzie 17, Fannie 17, Susannah, Susan, Susie or Sue 15, Catherine or Katie 15, Esther 15, Edna 15, Lydia 15. Ninety-nine have just one.

More things could have been written but these are some of the main ones. Most of these records were started by my mother, Mrs. John J. Miller. There are mistakes and some records are not complete, but we do thank every one who has helped us in any way.

We dedicate this book to our forefathers who have given us a Godly heritage. May we use it to their honor, and all who find their names in this book, may they also find their names written in the Book of Life, is our wish and prayer for you.
